

CPP and Law: Open Access Papers

We have chosen to only include open access articles and papers on general themes, rather than articles on focused topics, although there is a large body of research literature on this topic. These papers provide some of the most recent think tank work to complement our [law library](#).

Inclusion does not indicate endorsement by the Blue Shield of the views and opinions in them.

- O’Keefe, R., Péron, C., Musayev, T., and Ferrari, G. 2016. *Protection of Cultural Property Military Manual*. UNESCO and the International Institute of Humanitarian Law.
Available [on UNESCOs website](#).
