## 2. Income:

What is the total income of your committee? What are the primary sources? (Donations, grants, etc?)

Explain the activities & projects carried out over the year under the Areas of Activity

The annual report should tell the story of the organisation and put into context what was achieved in the reporting year against the achievement of its longer-term strategy. The annual report under this section should provide a clear review of the organisation’s performance for the relevant year as well showing how the current year’s strategic performance links to the achievement of the longer-term strategy of the organisation.

These could include: grants applied for; talks given; conferences held; training courses run; work to support new legislation; working groups attended, etc.

Please provide as much detail as possible – for example, length of event, audience, and so on.

4. Main issues faced:

COVID has been a significant barrier in Mali.

The committee also struggles with funding.

5. Future goals

See Action Plan 2022-2023

- Sensitise and inform local communities and defense and security forces to raise awareness of the Blue Shield and its importance in the protection of cultural property in crisis situations.
- Train and build the capacity of institutions and actors responsible for the management of cultural infrastructure and defense and security agents
- Carry out emergency rescue operations in areas of residual insecurity
- Undertake an emergency inventory program in the most threatened cultural areas
- Implement a national campaign to combat the trafficking of cultural property

6. Other

Through its connection to Newcastle University, BSI is sometimes able to access funding that can be shared with research institutions to further the work of Blue Shield. Does your national committee have any connections with research institutions interested in its work (e.g. in risk management, heritage protection, etc.). If yes, please supply the names and contact details here.
