Threats to heritage

We have a number of papers on types of threats to heritage. These papers provide some of the most work to complement our threats to heritage page.

We have collated a number of papers on types of threats to heritage. These papers provide some of the most recent work to complement our Threats to heritage page. Some of these papers provide country specific examples, but the threats can be generalised to other countries. If no link is provided, the paper is not open-access, and may require an academic library to access.

Inclusion does not indicate endorsement by the Blue Shield of the views and opinions in these papers.
