

Threats to heritage

We have a number of papers on types of threats to heritage. These papers provide some of the most work to complement our [threats to heritage page](#).

We have collated a number of papers on types of threats to heritage. These papers provide some of the most recent work to complement our [Threats to heritage page](#). Some of these papers provide country specific examples, but the threats can be generalised to other countries. If no link is provided, the paper is not open-access, and may require an academic library to access.

Inclusion does not indicate endorsement by the Blue Shield of the views and opinions in these papers.
